

Website Design Concept

Color Scheme:

- **Background:** White
 - **Accent Color:** Orange (please share the specific hex code for the orange color you'd like to use)
-

1. Opening Page Layout:

- **Header Section:**
 - **Strong Headline:**
 - Positioned centrally at the top of the page.
 - Bold and large font for immediate visibility.
 - Suggested message tone: Short, impactful statement, similar to the style used by ptd.
- **Image Placement:**
 - **Left Side:** Large, captivating image showcasing a transformation (before and after, for example).
 - **Right Side:** Another image or a video thumbnail that could play a testimonial or related content.

2. Transformations & Success Stories Section:

- **Section Title:** “Real Transformations”
 - Positioned just below the header.
- **Featured Transformations:**
 - **Grid Layout:**
 - Display a series of transformation images in a grid format (3-4 images per row).
 - Each image accompanied by a brief description (1-2 lines).

- If a transformation has a video testimonial, include a play button overlay on the image.

3. Video Testimonials Compilation:

- **Section Title:** “Hear From Our Clients”
 - A visually appealing section that showcases video testimonials.
 - Use a horizontal carousel or grid format to display video thumbnails.
 - When clicked, videos could either play in a modal or link to a separate page dedicated to testimonials.

4. Navigation:

- A simple top navigation bar to access different sections of the website, including:
 - Home
 - Transformations
 - Success Stories
 - Contact Us
 - About Us
